DESCRIPTION:

Please note this solicitation is not ready to be issued as of this date. The Embassy of the United States in Turkmenistan will launch the solicitation on the <https://tm.usembassy.gov> website when it is available.

The U.S. Embassy Ashgabat, Turkmenistan is going to procure and replace UPS system complete with its batteries. The existing UPS system needs to be removed.

The prices shall include all labor, materials, insurance, overhead and profit. The Government will pay the Contractor at the satisfactory completion of services upon receipt of a proper invoice.

The delivery of the UPS system and the works will take place at the Chancery of the U.S. Embassy Ashgabat, Turkmenistan located at 9 1984 Street (formerly Pushkin Street) Ashgabat.

All responsible sources may submit an offer, which shall be considered. The Government plans to issue the solicitation no later than June 30, 2022. This solicitation will be issued via the website of the Embassy of the United States in Turkmenistan. No paper copies will be mailed.

The Government intends to award a Contract resulting from this solicitation to the lowest priced technically acceptable offeror who is a responsible contractor. The Government may award the Contract based on the initial offer without discussion. The resultant contract will be a firm fixed price type contract.

IMPORTANT NOTICE:

All contractors have to be registered in the SAM (System for Award Management) Database <https://www.sam.gov> prior to contract award pursuant to FAR provision 52.204-7. Therefore, prospective offerors are encouraged to register prior to the submittal of quotations/proposals.

SAM Registration

The System for Award Management (SAM) is a central database for use by U.S. Federal Government agencies. There is NO fee to register for this site.
